The Evolution of an Assignment: Timeline

**First Iteration**

**Simplification and Scaffolding**
- Reduced number of required sources
- Grading Rubric
- Supporting (in-class) assignment

**Efforts to Improve Data Gathering**
- In-class literature search instruction
- Source identification contributes more to grade
- Write paragraphs about relevance of sources

**Additional Scaffolding and Team Design**
- Partnership with Libraries and Writing Center
- Literature Search Lab
- Article Summaries and Writing Workshop
- More supporting assignments
- Increased target assignment difficulty
