

Application for Best Practices Institute 2018

Center for Teaching Excellence

Application Form 2018

Name	Academic rank	Department / Division
------	---------------	-----------------------

1. BPI participants learn more about:

- Designing a course to maximize student learning
- Making the most of class time
- Using out-of-class time to promote learning
- Assessing learning efficiently and productively
- Representing your teaching effectiveness

Which of these topics would you most like to explore through reading and conversations with other faculty members?

What kind of practices and ideas interest you the most?

2. What features of your students' learning would you like to improve? How do you know that their learning in your course(s) is in need of further development?

3. Please describe any attempts you have made to achieve a teaching goal in one of your classes. Did you achieve your goal(s)? What did you learn from the work you did?

4. What's motivated you to apply for BPI?

5. What are two or three goals that you have for participating in BPI?

Do not exceed two pages.
