

## Self-assessment of student participation in class activities, discussions and group work

### Preparation

- 10 I complete all assigned work, as listed in the syllabus, plus spend time thinking about the ideas expressed in the readings/films.
- 8 I complete most of the work before coming to class
- 5 I complete half of the assigned work before coming to class
- 3 I complete quarter of the assigned work before coming to class
- 0 I do not complete any of the assigned work before coming to class

### Participation

- 10 I volunteer at least once or twice a class period and contribute meaningfully to the class activities. In addition, I ask questions and try to dig for deeper meaning.
- 8 I volunteer at least once or twice a class period and contribute meaningfully, but do not ask any questions.
- 6 I volunteer once every other class period and contribute meaningfully to the class activities.
- 3 I rarely volunteer or contribute to the class activities.
- 0 I never volunteer nor contribute to the class activities.

### Discussions

- 10 I always participate in class discussions. When doing so I try to paraphrase, extend, amend, refute positions related to the material and author's/director's positions.
- 8 I often participate in class discussions. I show comprehension of reading and author's/director's positions. I make good comments and arguments related to the material.
- 5 I try to participate in class discussions, but I tend to be passive. I listen actively and take notes.
- 3 I do not participate in class discussions, I show minimum attentiveness to and engagement with the discussions.
- 0 I show unwillingness to participate and/or disrupt the discussion by being distracted by my computer, phone, or by coming late to class), do not listen and do not take notes.

### Collaborative Learning

- 10 I actively contribute to small group/pair discussions. I listen attentively, answer and ask questions, and ensure partners come to a solid understanding of the material.
- 8 I actively contribute to small group/pair discussion. I listen attentively, plus answer and ask questions.
- 5 I, for the most part, contribute to small group/pair discussion. I listen, plus answer and ask questions, but don't work towards ensuring a mastery of the material by group members.
- 3 I contribute to small group/pair discussions in a limited way. I listen, but respond only when asked a question and don't provide much collaboration.
- 0 I contribute to small group/pair discussions in a very limited way. I am somewhat attentive and don't engage in real collaboration.

### Behavior

- 10 I am engaged, attentive, focused, and thoughtful during all class times. If I use technology, it is for the sole purpose of class-related material.
- 8 I am engaged, attentive, focused, and thoughtful during most of the time.
- 5 I am engaged, attentive, focused, and thoughtful during some of the time.
- 3 I am distracted and do work not pertinent to this particular class.
- 0 I am distracted and my behavior distracts my classmates.
