METHODS OF TEACHING PHYSICAL EDUCATION**

Skill Demonstration & Guided Practice

Teacher:

Skill:

2 = Achieved; 1 = Partially Achieved; N/A = not applicable; N/O = not observed.	Rating	N/A or N/O
Equipment was ready when demonstration began.		
Entire skill was shown first, then skill mechanics were explained.		
Demonstration was done from several angles to enable students to see.		
Skill was modeled effectively.		
Volume was sufficient for all students to hear skill explanation.		
Students were appropriately involved in the demonstration.		
Students were checked for understanding.		
Major features of the skill presented; students not overloaded with information.		
Taught key words to use as teaching cues.		
Observed skills as a group during guided practice.		
Corrected MAJOR skill errors during guided practice.		
Gave positive group feedback.		
TOTAL		

Good Fair Poor

Voice (powerful, projected, enthusiastic)

Good Fair Poor

Effectiveness of demonstration

Overall Evaluation (check one)

	Strong performance
	Solid, needs some work, but basically well done
	Some major errors, room for improvement, but OK
	Not adequate, several major errors
