

The image features a decorative background with a light beige, marbled texture. Overlaid on this are intricate, dark red floral and scrollwork patterns. Numerous small, stylized butterflies in shades of green and yellow are scattered throughout the scene. The word "EXECUTIONS" is prominently displayed in the center in a bold, dark red, sans-serif font. The letters are slightly shadowed, giving them a three-dimensional appearance as if they are floating above or attached to the decorative elements.

EXECUTIONS
